

# Recessed single toilet roll paper holder

**FW-TR1R**

The recessed type single toilet paper roll holder is specifically designed for prison and high vandal areas.

The unit is fixed in the wall and the two bolts go through to the wall behind where the holder is tightened with two M10 bolts (Supplied).

This is the most vandal resistant toilet roll holder on the market that is not surface mounted. It provides a neat space for toilet paper.

## SCOPE OF DELIVERY:

- Made from grade 1.6mm thick 304 (18/10) stainless steel
- Takes one toilet roll only
- Not lockable
- Vandal resistant
- Two M10 thread 150 x 10mm long steel rods fixed behind the wall so the unit cannot be removed.
